Facial Services

A relaxing European facial treatment that is customized to your skin's special needs. This is a deep cleansing and exfoliating treatment that will soften and rejuvenate your skin. Glycolic, Vitamin C, special enzymes, aloe vera and hyaluronic acid are only a few of the high quality ingredients used in this signature facial. A facial, neck and shoulder massage, treatment mask and serums will be customized to you. Special treatments may be utilized, depending on the condition of the skin being treated. For an unforgettable experience, this pampering treatment facial includes a soothing and softening hand treatment. Aromatherapy is used to ensure complete relaxation.

90 minutes \$75.00

60 minutes \$55.00 - 675.00

Acne facial \$55.00- \$85.00

Facial treatment includes a personal skin analysis. Bring home care products for review. Add a light peel to any facial for \$10.00

*Gift Certificates
Available*

Chemical Peels

Peels improve the texture of the skin and increase the cell renewal rate, hydration, elastin, and collagen. Peels also reduce fine lines, wrinkles and pigmentation. Peels benefit skin conditions such as acne, dry or oily skin, hyperpigmentation and clogged pores.

*Light peel – A non-invasive peel with little to no peeling \$30.00
* recommended for most skin types every 4-6 weeks.*

Medium peel – moderate peeling for 3-5 days is possible \$45.00 - \$75.00

Deep peel – moderate to heavy peeling for 7-10 days \$250.00

Image Skincare

Image Skincare products are developed and formulated by internationally recognized chemists working together with a board of physicians.

- Products not tested on animals
- No petrochemicals
- No chemical preservatives
- Fragrance composed with 100% essential oils
- Respect of the environment
- No parabens

Hair Removal

Sugaring is the ancient art of Egyptian hair removal and exfoliation. It's safe and effective for women and men. Body sugar is all natural made from sugar, lemon, and water. This mixture contains no chemicals, resins, or additives. It is so natural you can EAT it! Body sugaring removes hair at the root and exfoliates dry skin.
